Many individuals in the financial areas are feeling the pinch and are downsizing from their expensive BMW 6 Series into BMW 1 Series or 3 Series. You can bag yourself a great deal at Big Motoring World in Kent and save a few hundred pounds by not dealing with a main franchised dealer. As long as you check the service history, HPI report and V5 document, then you should get a good deal with peace of mind. You can always pay for an AA or RAC inspection for added assurance.
